Preliminary Amendment to Comply with 37 C.F.R. §1.821-1.825
(Computer Readable Form of Sequence Listing) – Re-submission

Sir:

Applicants submitted via Express Mail the requested information on October 30, 2001, within the two-month period as requested. A telephone call to the Office on December 18, 2001 revealed that the originally submitted documents have not been received, apparently due to the delays of mail delivery.

Applicants re-submit herewith a computer readable form (CRF) copy of the sequence listing and a diskette containing the same. A paper copy of the Sequence Listing was provided in the original application. The content of the sequence listing information recorded in computer readable form is identical to the written sequence listing on paper as originally submitted. No new matter is added to or introduced into the application by this amendment. A photocopy of the "Notice to Comply" is submitted herewith. A copy of the original mailing label is submitted herein.

Applicants respectfully request that the Commissioner enter this Amendment into the application as submitted.

Respectfully submitted,
